

Correction to “Rescuing the traffic-deficient mutants of rat μ -opioid receptors with hydrophobic ligands”

In the above article [Chaipatikul V, Erickson-Herbrandson LJ, Loh HH, and Law PY (2003) *Mol Pharmacol* **64**:32–41], the sequence for the C-2 mutant was incorrect in the abstract. The correct sequence is 344KRCFR348. The sequence was described correctly elsewhere in the article.

The authors regret this error and apologize for any confusion or inconvenience it may have caused.
