NOTICE OF WITHDRAWAL

The following manuscript was published as a Fast Forward article on November 30, 2018:

After publication, the article's corresponding author, AV Tzingounis, discovered that several errors had been made that call into question the major findings of the study. A crucial experiment will have to be repeated with a larger sample size to either confirm or dispute the conclusions presented in the paper. The editor has decided to withdraw the paper.

We apologize for any inconvenience this may cause *Molecular Pharmacology*’s readers.
